CALL FOR ARTISTS

Juneau invites artists from all around the region to join Juneau's 2022 Wearable Art Extravaganza "Oceanic Overtures"

A celebration of and a call to steward our oceans, so precious for Alaskans' livelihood.

The runway show is February 12 & 13 at Centennial Hall. The event will be in person and live-streamed to anywhere with internet access, allowing for wide audience participation. Yes, this means your family on the East Coast can watch you perform!

* All participants (artists, models, crew, and staff) will need to show proof of vaccination and wear masks to be present in the venue or at rehearsals - or opt to be filmed and streamed.

To help make it possible, JAHC is offering **roundtrip airfare to Juneau + hotel for the weekend** for the artist or model + the art piece!
(Up to 3 slots available)

Or talk to us about filming and streaming!
